

Homework Policy

PURPOSE

The purpose of this policy is to outline to students, parents/carers and school staff Welshpool and District Primary School's expectations for homework and at-home learning.

SCOPE

This policy applies to students in all year levels and staff responsible for setting homework.

POLICY

Welshpool and District Primary School acknowledges that homework should be tailored and adapted to suit the personal and developmental needs of students.

Teachers at Welshpool and District Primary School are encouraged to exercise their discretion in assigning tasks that are appropriate for their students and most likely to be meaningful. This may comprise of pre learning around a topic or completion of class work.

Prep to Year 4

In the early years, the objective of homework should be to practise and consolidate the concepts that have been introduced during class time. It is also intended to introduce the concepts of self-discipline and responsibility and prepare them for the upper grades. Homework will mainly consist of daily reading to, with, or by parents/carer or older siblings.

Year 5 to Year 6

In the upper year levels, the objective of homework is to build on the concepts of self-discipline, responsibility and initiative to prepare students for secondary school.

Shared expectations and responsibilities

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Welshpool and District Primary School will support students by:

- fostering lifelong learning and connecting families with the learning of their children, as part of a comprehensive and balanced curriculum within Victorian schools
- ensuring the school's homework policy is relevant to the needs of students
- advising parents/carers of homework expectations at the beginning of the school year and providing them with a copy of the homework policy
- encouraging parents/carers of early primary school aged children to read to and with their children for enjoyment

Homework Policy

Teachers at Welshpool and District Primary School will:

- equip students with the skills to solve problems
- encourage real-life problem solving, logical thinking, creativity and imagination
- set varied, challenging and meaningful tasks related to class work to suit the students' learning needs
- give students enough time to complete homework, considering home obligations and extracurricular activities
- help students develop organisational and time-management skills
- offer a wide range of opportunities for families to engage in their children.

It is expected that students will take responsibility for their own learning by:

- being aware of the school's homework policy
- discussing with their parents/carers homework expectations
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment.

It is expected that parents/carers will support their children by:

- developing a positive and productive approach to homework
- ensuring there is a balance between the time spent on homework and recreational activities
- reading to them, talking with them and involving them in learning opportunities during everyday household routines and physical activity
- talking to teachers about any concerns they have about the homework
- ensuring there is a quiet study area for students to complete their homework tasks.

Support for students, parents and carers

Teachers at Welshpool and District Primary School understand that students have different learning styles and interests, and may approach learning activities and homework differently. If you are concerned that your child may not understand the homework tasks that have been set for him or her, or is spending a long period of time completing their homework, we encourage you to speak to your child's teacher.
