## POLICY

### 1. School profile

Welshpool and District Primary School is a school formed from the merger of Port Welshpool Primary School and Welshpool Primary School. Located centrally between Foster and Yarram in South Gippsland, the school's enrolment is drawn from the township of Welshpool, the fishing village of Port Welshpool and the rural communities of Hedley, Wonyip, Woorarra, Bingenwarri and Agnes. A significant number of our students travel to school on the school bus.

The school is strategically placed around a historic building, which houses an administration area and classroom. Other facilities include two buildings, a full size basketball court, full sized oval, a large adventure playground, and a multi-purpose hall.

The school and its community are actively involved in interesting and challenging activities that enhance the student's educational experience. Welshpool and District Primary School sees itself as a friendly and welcoming school with a rural setting. It is integrally involved in the community on a variety of levels ranging from participation in local events to providing facilities and services.
